Nominations are invited for the Editorship of The American Journal of Physiology–Endocrinology and Metabolism to succeed Charles H. Lang, who will complete his term as Editor on June 30, 2016. The APS Publications Committee plans to interview candidates in the Fall of 2015.

Applications should be received before August 15, 2015.

Nominations, accompanied by a curriculum vitae, should be sent to the Chair of the APS Publications Committee via regular mail:

Curt D. Sigmund, Ph.D.
American Physiological Society
9650 Rockville Pike
Bethesda, MD 20814-3991

You may also send your nominations to Curt Sigmund via e-mail, care of the APS Publications Dept. Administrative Assistant, Charmon Kight (ckight@the-aps.org).
Multiple Disciplines—One Physiology Collection

APS Publications: 15 distinguished scientific journals.

BIOSIS PREVIEWS • TRSI Web of Science • MEDLINE and PubMed: APS journal content is indexed through all of these excellent services.

HighWire: APS journals are hosted by HighWire Press, the leading ePublishing platform for high impact, peer reviewed content, with over 750 Science, Technology, and Medicine titles.

New Website Design: Provides enhanced readability and discoverability of articles to improve research efficiency.

CiteTrack: Use your own criteria and key words to be notified of newly posted APS journal content.

AuthorChoice: Authors may purchase this option and have their articles publicly available upon publication.

eTOCs: Receive instant notification of new content.

RSS Feeds: Another great way to receive a notification of newly posted APS journal content.

Free Color: Regular or student members of APS who are first or last authors of articles in any of the APS research journals may be eligible for free color images.

Articles in Press: Newest research, published within days of acceptance.

Legacy Content: 100 years of scientific research from APS journals.

Journals Digital Library: The most economical way to purchase the complete collection of peer reviewed original research and review journals from the APS.

APSselect: Access to a collection of the “best of the best” newly accepted original research articles from the APS journals.
